

Occupations included in the agreement

The table shows occupations that are eligible for sponsorship under the Northern Territory Designated Area Migration Agreement (NT DAMA).

It also shows the concessions that may be applied.

Your business can seek a Temporary Skilled Migration Income Threshold (TSMIT) concession. However, there must be a strong business case provided to support a TSMIT concession.

Your business has to show that the salary offered to a prospective overseas worker is at least what an Australian citizen or permanent resident could expect doing the same job in the same location.
